

Wendat Seniors' Community Support Programs Service Goal

The aim of Wendat's Community Support Programs for Seniors is to have a positive impact on the wellness, independence and quality of life for at risk older adults so they are able to live longer, in better health and in their chosen environment within the Town of Penetanguishene.

Who May Refer:

Referrals can be made by healthcare professionals, family members, community agencies and/or individuals who would qualify for the Residence or in-home service.

Programs for Seniors

Assisted Living Program:

Eligible seniors for this Program may have access to one or more of the following services for the purpose of maintaining independence in their chosen living environment:

- Assistance to arrange transportation to medical appointments
- Transportation to shopping for necessities with support to enter and leave the van
- Support with medication & chronic disease management
- Support with housekeeping, laundry and minor upkeep
- Minor assistance with activities of daily living such as hygiene, bathing and dressing
- Social stimulation & re-integration into community
- Support to connect with cultural groups and organizations
- 24/7 on-call assistance
- Telephone Safety Checks

Programs for Seniors

Day Program:

This program offers social and recreation activities in group settings for seniors who would benefit from a wellness oriented program which includes assessment and some health monitoring.

Benefits for participants include:

- Companionship & peer support
- Individualized approach
- Health teaching and wellness oriented programs
- Memory enhancement programs/ activities
- Therapeutic social & recreational activities
- Safe routines & environments
- Transportation service to & from Day Program—negotiable

Social & Congregate Dining Program:

Our in-house cook will prepare nutritious meals to those who attend the Day Program or wish to participate in the stimulation of a social group environment. The meals are offered at a minimal cost.
