

**Realty Executives On The Bay Inc. provides \$4,500 to Wendat Community Programs**

Grace Kidd Owner and Broker of Record at Realty Executives On The Bay Inc. and her Executives are pleased to provide \$4,500. to bring WENDAT's new Endowment Fund to the \$5,000. mark. These funds will be matched by an anonymous donor, allowing WENDAT to reach the \$10,000. level needed to secure their new Endowment Fund within the framework of the Huronia Community Foundation.

Having a plan with a nest egg is necessary in these times of uncertainty and will help ensure that WENDAT is always able to continue to serve the community.

Grace and her Executives believe in supporting the communities that have supported them and their business over time and hope to inspire you to make a one time, monthly or yearly commitment of your own.

Wendat Community Programs was founded in 1987 and provides high quality care, treatment and rehabilitation services to both frail elderly and to persons experiencing a mental illness who are living in the North Simcoe-Muskoka area.
